SUPPLEMENT TO  
REPORT NO.

1. A coup attempt which has been organized by Luang Adun Adundetcherat\* is scheduled to take place shortly after the departure of King Rama IX from Thailand. The plotters are not primarily concerned with ousting Phibul, but have the objective of removing Police Gen. Phao Sriyanon and his supporters from power. Adun has strong Police support, some Army support, but probably little or no Navy support.
2. Phibul is aware of Adun's activities and will probably make use of the Emergency Law at the crucial time and stage a purge of the opposition.
3. The Criminal Investigation Division (CID) is quietly gathering evidence concerning the plot organized by Adun and Thevarit Phanluk, former Air Force Marshal. Luang Thamrong Nawasawat\*, who is also involved, is making plans to leave Thailand before Phibul takes any action against the plotters.
